Lions Boat Show makes a splash in Discovery Bay!

Discovery Bay, CA, May 24, 2016 – The Discovery Bay Lions Club revived their once-famous Discovery Bay Boat Show May 20-22. While the Jeff Dawson Memorial Boat Show experienced less than perfect weather the show still enjoyed wonderful success.

Three days of fantastic live music was well received by the community, even though Friday nights show included gale force winds! The bands were each different and appealed to a different audience, so provided a little something for everyone.

Most importantly, the vendors and boat dealers at the show were happy, sharing that the quality of show attendees was better than many shows they attend. "The people who attended were there to buy boats and marine-related equipment," observed BoatUS booth operator, Bryan Dove. "The dealers seemed happy with the sales they made at the show and with the quality of the leads the Discovery Bay Boat Show provided."

Once again, the Discovery Bay Lions Club and its' vast army of volunteers made the show a success. It's an amazing effort the volunteers undertake and it's always handled professionally. The result, thousands of dollars raised to support local schools, charities, and the Blind Center.

Boat Show co-hosts, Harbor Master Dan Gay and Rick LaManna with NorCal Mastercraft, were pleased with the show: "Since Discovery Bay is such a water centric community filled with active life style families, it's great to see the revival of the annual(Boat Show) tradition," said LaManna. Discovery Bay Harbormaster, Dan Gay, agreed: "It's good to have the boat show back in the community."

Whenever a Lions Club gets together, problems get smaller, and communities get better. That's because we help where help is needed – in our own communities and around the world – with unmatched integrity and energy. Since 1983 the Discovery Bay Lions Club has raised over a million dollars for our great community. Fundraising events from Boat Shows, Concerts, Golf Tournaments, Poker Runs, Crab Feeds, Car shows and many more, have allowed us to provide help in many ways to so many kids and other organizations in Discovery Bay and beyond. by Dave Ciruli
